VIDEO PRODUCTION & LIVE STREAMING FOR PUBLIC SECTOR ORGANISATIONS

## Proven Delivery - HS2

multi-year filming, editing and drone contract, supporting public communications

We support public sector organisations in delivering clear, engaging video content - from concept through to final delivery.

As an accredited Bloom supplier, we help teams produce high-quality video with minimal internal resource required.

**VIDEO PRODUCTION**  
Filming, interviews,  
campaigns

**LIVE STREAMING**  
Multi-Camera productions,  
town halls, remote speakers

**DRONE**  
Licensed aerial  
filming & inspections

**POST PRODUCTION**  
Video editing,  
graphics, delivery

## HOW WE WORK

- Minimal disruption to teams and sites
- Public sector experience
- Fully insured & compliant
- Scalable production
